Kids' Fun Street Schedule

Come visit Kids' Fun Street – "Green Spaces"

Kids of ALL ages can find something at Kids' Fun Street! Come celebrate "Green Spaces"! This year Kids' Fun Street offers crafts that celebrate the caring of the earth through recycling. All of the crafts are made from recycled or reused items. Kids of any age can do hands on crafts like – **Oceans in a Bottle, Make Your Own Button, Milk Jug Lid Lady Bug Magnets and Artistic Trading Cards**. Teaching kids how to recycle is the perfect way to make a difference in protecting the earth. Children who learn the importance f recycling and reusing carry those messages with them through life, making them more likely to take care of the earth in the future. Kids can also enjoy face painting and bounce house activity. Don't miss the fun designed just for kids at Arts in the Alley!
